Notes on application and examination

- In accordance with the IATF guidance, only those who have completed two doses of the COVID-19 vaccine at least two weeks prior to the day of the test may participate. Vaccination card will be checked at entrance of Okada Manila.
- You must be at least 17 years old on the day of the exam to be eligible to take the exam.
- We do not accept applications in person, by phone, or by e-mail.
- The level of the exam will be based on the level 3 of the National Trade Skills Test (as needed) taken by those who have completed Technical intern No. 2.
- You can take more than one exam in the morning and afternoon. However, please note that you may not take the same exam in both morning and afternoon sessions.
- If you wish to take more than one exam category, you will need to pay an examination fee for each category.
- We will send you an examination email after we receive confirmation of the payment of the examination fee.
- The application process will be considered complete when you receive an application completion email from the secretariat.
- Please note that we do not accept changes in exam categories after the application process is completed.
- If an applicant cancels the exam after the application procedure is completed, the examination fee will not be refunded.
- Please note that the examination fee will not be refunded even if the applicant does not take the exam due to inadequate documents such as identification.
- Detailed information on the day of exam can be found in the "Admission ticket", which will be sent to applicants on a later day.
- Even if you pass the exam, it is not guaranteed that you will be granted "Specified Technical Skills" status of residence. Even if an application for issuance of a certificate of eligibility or an application for change of status of residence is made to a person who passed the exam, it does not mean that the person can receive a certificate of eligibility or permission for change of status of residence.
- Even if you receive a certificate of eligibility, your visa application will be reviewed separately by the Ministry of Foreign Affairs, and you will not necessarily be issued a visa.
